This Is Columbus, Indiana, Where . . .

the community works with the school to better one another. Industry has developed our city into an industrial rated vicinity with products known nationally. For recreation, Columbus has provided its citizens with many recreational facilities, available to both adults and youth. The new community center includes a Boys' Club and Girls' Club and provides for Boy Scouts and Girl Scouts. The Jive Kennel affords a place for many teenagers to go during their leisure time. Behind the city functions lies the government, both local and national. The court house, symbolic of our democratic form of government, serves as a constant reminder to us. Columbus is very fortunate in having so many churches and different denominations; for no matter what faith, each citizen may find a place where he feels welcome.

And This Is Columbus High School Where *we four

sized guys have to study together*

seventeen hundred students worked together during the year of 1955. It was here where we prepared to meet life's challenges as adult men and women.

Max P. K.
As our first aim of a high school education was to gain knowledge, we explored the fields of science, mathematics, and language. Many perfected trades and skills while others prepared to go on to places of higher learning. No matter what our final goal was, we all worked hard.

Max P. K.
knowing that
Along with the academic side of Columbus High School is the social aspect. Between class periods we were able to make many friends—simply by talking with them on the way to and from classes. After school hours, we met at the Jive Kennel, which is our youth center, or the Olympia. Sometimes we took time out from classes to enjoy convocations, in which many of us participated. We attended club meetings twice a week and in the fall and spring held outings at the Youth Camp. Much time was spent cheering our Bulldogs on to victory, regardless of what sport was being played. Of course, we attended the usual spreads, after-game dances, slumber parties, and open houses. It was through all these activities that we came to know all of our friends, which made our high school life complete.

The combination of these two aspects, academic and social, gives a true picture of Columbus High School. It is through this experience that we have learned the power of constructive thought and effort in the promotion of peaceful relations between all people of the entire world — truly the "Hope of Our Country."

Among the many land marks around C.H.S. are the archways connecting the main building to the Wilson and Industrial buildings. During bad weather, these came in very handy.

At Columbus High . . .

Between periods, many of us gathered at the drinking fountains to talk and even to get a drink.

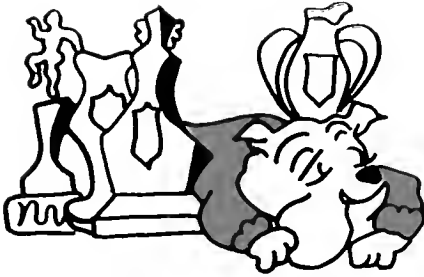

The beginning and end of each day took place in the halls, usually at the lockers. All of us rushed around trying to avoid being late, whether it was to class or an after class engagement.

...the good friends were at the meetings. Don't know if you saw them or not. See you later.

 1702 of Us . . .

Bill considered his lock a nuisance, as most of us did, but at the time, Dean thought it was quite funny. Many times Mr. Ross held the key, which seemed of vital importance.

Convocations played an important part in the lives of every C.H.S.-ite, providing the needed break between routine classes.

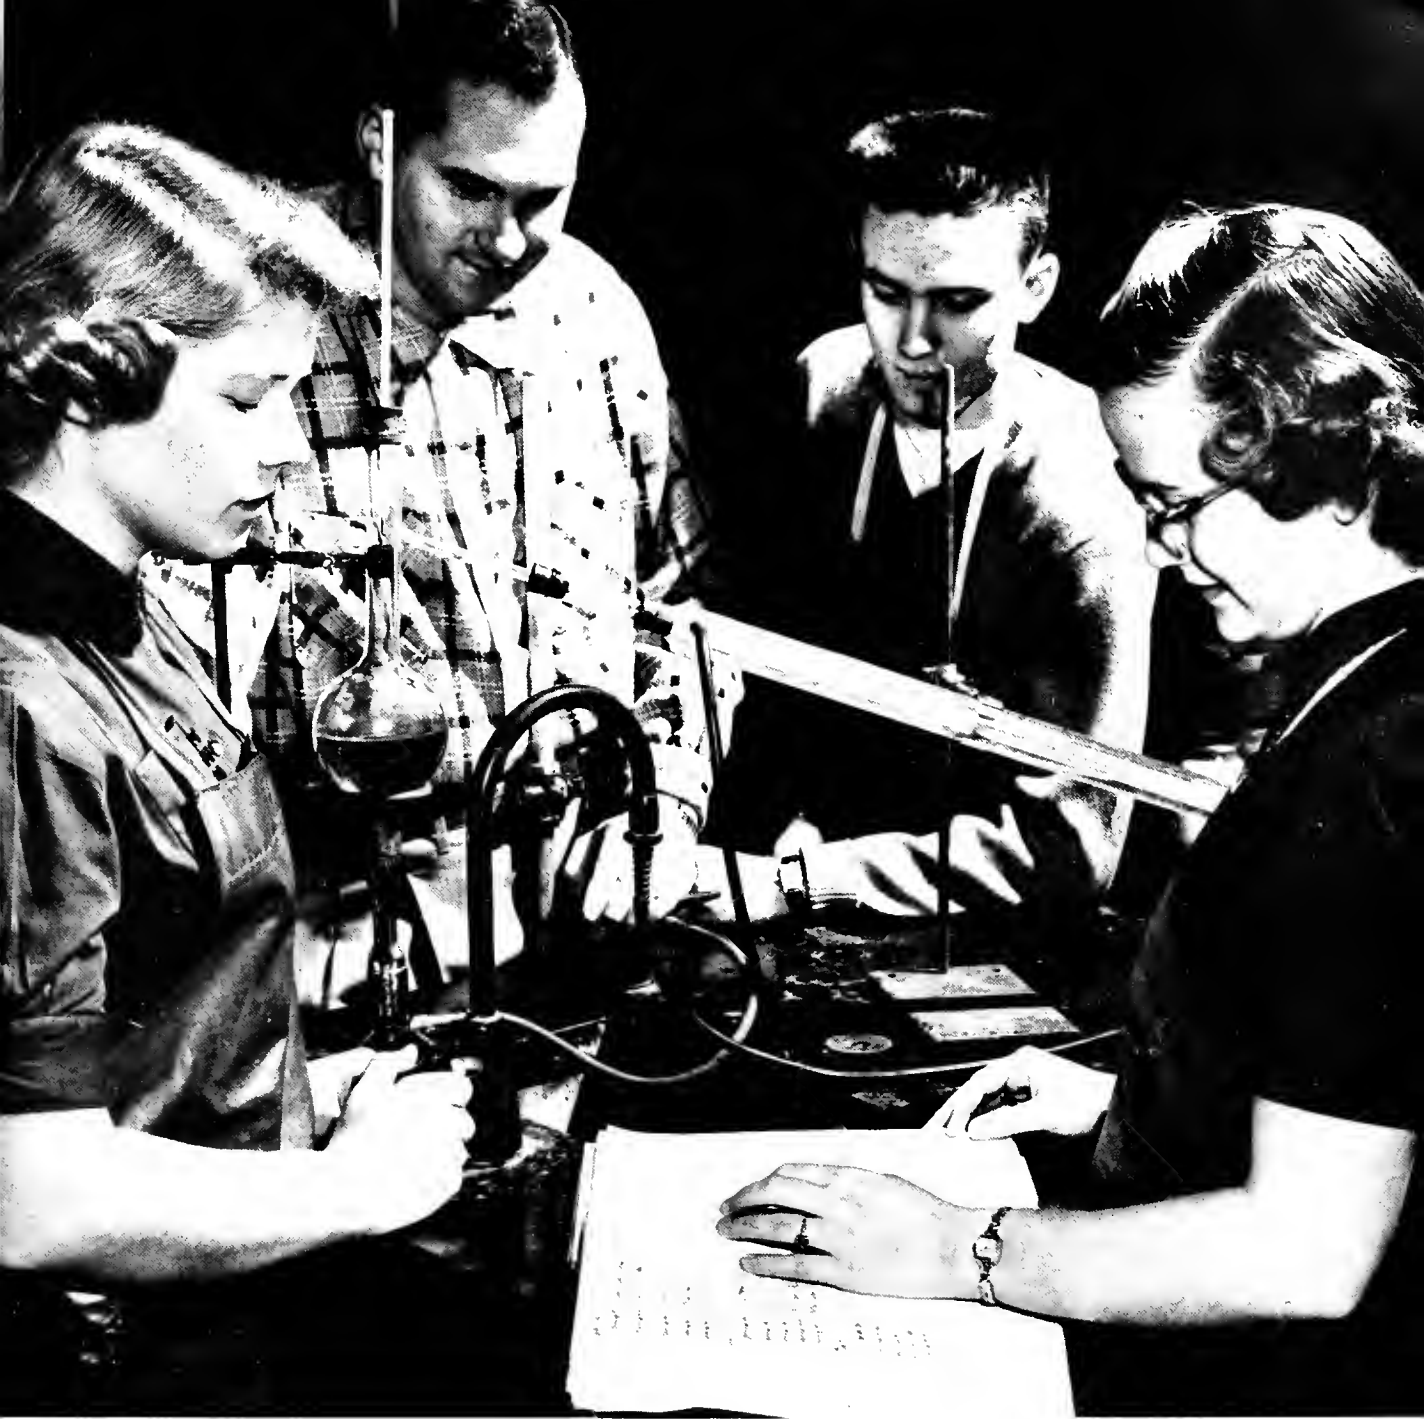

To make us more French conscious, we made French scrapbooks. Each of us tried to out-do the other in originality.

10 ***Put Forth Our Efforts***

In order to teach us etiquette, we practiced table manners and proper table setting.

Experiments played an important part of our chemistry classes. Here Margaret, Mike and Helen listened as Mr. Bennett explained the electrolysis of water.

Mr. Bennett explained the electrolysis of water. He showed us how to set up the apparatus and how to collect the gases. We were very interested in the experiment and learned a lot about the properties of hydrogen and oxygen.

This year the girls made practical applications of the knowledge they had accumulated previously in home economics classes.

To Work With The Community . . .

At the gymnasium entrance are six limestone inlays representing the various sports in which C.H.S. participates.

On October 14, 1954, the corner stone was laid at the new physical education plant. Through the efforts of the community and the workers, the gym was built in ninety days.

Columbus' new physical education plant is another product of hard work, determination, and co-operation among the citizens of the community. This plant was built entirely by donations, and is the fourth largest high school gym in the state.

In our leisure time, we enjoyed the out-
 ings at the Youth Camp. While sitting
 around the fire, we sang songs and talked.

One of the paid convocations was Pruth McFarlin, a talented singer, and his accompanist. We particularly enjoyed his rendition of "Old Man River."

To Have Fun . . .

Each week one of the extracurricular activities looked forward to most was the athletic event. Cheering for each touchdown or basket, we were hoarse after many games.

After four years of fun and hard
work, we received our diplomas.

And to Prepare Ourselves . . .

To many, graduation from high school was another step in our
educational goals. Ahead of us awaited college educations.

Due to the large percent of rural students in our school, many graduates entered agricultural vocations.

For several, the business world offered opportunities for advancement. Sometimes jobs awaited us upon graduation; otherwise we had to secure them.

Faculty

Besides teaching us the fundamentals, the teachers helped us in guidance and chaperoned us at outings. With the increased enrollment the faculty staff was expanded to include sixty-six members — the most C.H.S. has ever employed. In their spare time, the teachers enjoyed Coffee Club, which met every Wednesday after school. To the teachers we are indebted for all the assistance which they have unselfishly offered.

The head of our school system is our superintendent, Luther Lockwood. It is to Superintendent Lockwood that we give much of the credit for the construction of the new physical education building. Mr. Lockwood also had much to do with the planning of Unit B in the new high school now under construction. As superintendent of schools, Mr. Lockwood holds the reins to all the affairs of all the schools in Columbus. He is interested in everything that concerns Columbus High School and is always willing to lend a helping hand wherever it is needed.

School Officials Pushed Completion of New Physical Education Plant

Always in the background of our school system, but with their presence being felt, was the school board, William Wissman, Edwin Crouch, and Richard Stoner, president, who met twice a month with Mr. Lockwood, our superintendent. They employed all of our teachers and officers and authorized all improvements to school property and equipment. These men did their job very well; and without their help and support, the construction of the physical education building would not have been possible.

During the six years Principal Judson S. Erne has been at C.H.S. (the first of which he served as guidance director), he has become an invaluable member of our faculty. He has shown great leadership and has accomplished many things for C.H.S. since he first became principal in 1950. He established three noon hours so there would not be so many students in the hall at one time.

Mr. Erne's special pride is the P. A. system over which he often talks to the students.

We students of C.H.S. are justifiably proud of our principal.

One of the busiest men around Columbus High School is our vice-principal, Mr. J. Ray Ross, who handles and keeps the books on all financial matters concerning the school. Mr. Ross is an amiable, humorous, and beloved member of our faculty and serves as a fine representative of Columbus High School to the community.

The 1955 Faculty

When we entered Columbus High School, we were met by teachers. They took us on a conducted tour through mathematics, English, history, and other fascinating subjects. While we struggled valiantly through a maze of Latin and French verbs, there was always a teacher to give us an assist in the right direction. They corrected our mistakes always with an explanation. They directed us in our various activities and sports. Several of them helped us discover our special talents and decide on our vocations. Our teachers equipped us with the tools that are necessary to make our way successfully in the world. We can truly say that the fate of our city rests in the hands of our teachers, for it is they who mold character, feed minds, and guard the mental and physical health of the future citizens of Columbus.

Albert Otis New **The 1955 Faculty**

We had several new teachers on our faculty this year. Two of them came to us from our own city, Columbus, Indiana. When Mr. Keith Wible left to work for the government, his place was taken by Mr. William Gatlin, who came from Kokomo, Indiana. We then needed someone to take over Mr. Gatlin's work so Mrs. Geneva Wickens, whose home town is Columbus, was hired. Mr. Melvin Harrison is from Columbus also, and C.H.S. is his Alma Mater. Mr. Albert Otis New came from Gosport, Indiana, and Mrs. Kathleen Graeber came from Bloomington, Indiana. Miss Vera Lanham was the sponsor of the Triangle and came from Greenwood, Indiana. Mr. Paul Whiteman has taught in the grades and comes from Sweetser, Indiana. Mr. Max Lynch came from Jasonville, Indiana, to fill the vacancy left when Mrs. Ruth Yoder resigned; and Mr. Lawrence Poorman came from Salem, Indiana. Our new physical education teachers were Miss Nancy Metz from Lawrenceburg, Indiana; Mr. Walter Page from Shelbyville, Indiana; and Mr. H. Dean Evans from Indianapolis, Indiana. Miss Barbara Bush came from Vallonia, Indiana; and Mr. Douglas Peterson, the only new teacher who came from outside Indiana, is from Iowa City, Iowa.

The 1955 Faculty

A teacher's life is not all work. When the teachers are away from the students, they are as gay and fun-loving as their students.

One of the first events of the year was the fish fry at Brown County State Park. The teachers bundled their families into their cars and departed for an evening of fun and games. After stuffing themselves with food, the teachers played horse shoes, volley ball, baseball, and other group games.

The teachers also enjoyed coffee club which met once a week on Wednesday. On this day, they would all gather in the school cafeteria to consume coffee and cake. Here, they exchanged ideas on teaching methods during these meetings.

Another enjoyable event of the year, for the teachers, was the Spring Fair, which was held in the gymnasium in April. If the teacher were a sponsor of a club, which was participating in the Spring Fair, he worked in his club's booth. Those teachers who did not work in the booths were stationed at intervals along the floor to sell tickets to the fun seekers.

Seniors

During the last year of our high school career, we, as seniors, experienced many wonderful events—outings, College Day, Industrial Day, the Prom, the Top Ten Senior Contest, and graduation. This year we introduced senior cords, each different and fitting to the individual, and, for the first time, presented our own commencement. In May, we set out on our own, each going his own way to college, jobs, or the armed forces.

Seniors

Senior class officers Steve Schwaninger, president; Phyllis Linke, vice-president; Doris Duling, secretary; Jackie Poffenberger, treasurer; and Miss Mildred Maley, class sponsor; were some of the first out to enjoy the snow.

Seniors Reminisce . . .

In the fall of 1951, the graduating class of 1955 entered C.H.S. as freshmen. These people were the first ones to benefit from the "big sister and brother" plan set up by Forum and Sorosis. That school year the "Spring Fair" made its debut with proceeds going toward the new Public Address System.

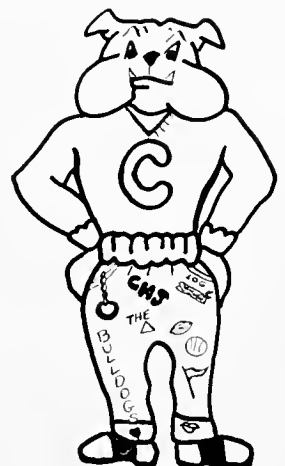

During their sophomore year, along with the other classes, the "55ers" pledged their support to the erection of a long dreamed of Physical Education Building.

As juniors, the class elected for their officers: Ruthann Schwartzkopf, Jackie Poffenberger, Russell Mahoney, and Jane Ann Noblitt; and saw C.H.S. step into a new era of 7:30 classes and staggered lunch hours. With the help of Miss Redmond and Mr. McCan, the juniors planned and carried out their prom, the "Carribean Cruise," and honored Ruthann Schwartzkopf as the queen. That year, the basketball team went to the Semi-Finals, showing its ability to do what no other team had done in 16 years.

As their last year rolled around, the seniors planned their own commencement, saw Nancy Jo Wehmeier named class valedictorian, and chose Ruthann Schwartzkopf for the most outstanding member of the class.

Now the class of 1955, one of which Columbus can be proud, bids a fond farewell to high school days, but not forgetting their many achievements and good times.

Best of Luck to a great grad
Nancy Pardiack

Outstanding Members of the Class of '55

Each year the Triangle sponsors a "Ten Top Senior" contest. From a list of 25 names submitted by the faculty, the student body chooses ten seniors whom they consider to be the most outstanding personalities. This year there were ties for eighth and tenth places, making twelve winners.

1. Ruthann Schwartzkopf — Our Carribean Queen . . . always has that smile . . . a dependable little gal that is sure to succeed . . . generous with her musical talents . . . strictly a one man girl.
2. Russell Mahoney — Student Council president . . . has a winning way with faculty members . . . great speech making ability . . . our dark and handsome Senior . . . will make something of himself.
3. Phyllis Linke — A friend to all . . . has a flair for cutting hair . . . always on hand with a pep talk . . . the teachers' pride and joy . . . Miss Pioneer of 1954.
4. Jane Ann Noblitt — Leads the cheers to spur the Bulldogs on . . . has a smile that's known to all . . . Butler bound (will major in physical education) . . . does any job well.
5. Jim Wilbur — Valuable on the gridiron and hardwood . . . a career in engineering is his goal . . . plenty of ambition . . . easy to get along with . . . friendly.
6. Ken Smith — Known to all as Buck . . . a very athletic fellow . . . maybe the future Mr. America? . . . full of mischief and fun . . . has a lot of friends.

7. Steve Schwaninger — Senior class prexy . . . Florence Chadwick's protege . . . a whiz at yelling "C-O" . . . has his eye on Butler . . . all around good guy.

8. Bev Baker — That blond "bomb-shell" of the Log staff . . . keeps the boys guessing . . . can often be seen in her little green jeep . . . very reliable . . . headed for DePauw.

8. Earl Stam — The Jerry Lewis of C.H.S. (that voice sounds more like Dean Martin) . . . extremely versatile . . . active in school activities . . . strictly a one girl man.

9. Charlie Ostick — Our contribution to the All-State Football Team . . . a nice fellow to know . . . modest . . . donates a lot of his time to the East Side Boys Club . . . easy to know.

10. Jackie Poffenberger — "Poffie" . . . plenty of charm and poise . . . a good mind for figures (class treasurer and employee of Irwin-Union Trust Co.) . . . always co-operative . . . makes a good leader.

10. Sally Swope — Personality plus . . . could give lessons in hospitality . . . plenty of wit . . . hard worker and will go far . . . energetic and capable.

Well Kladdie,
I sure hope you and
I get on the same shift
over at the pool.
We'll really have fun
this summer. Remember
all the good times we
had when we went
hunting. Take it easy
this summer and start
asking some girls
for dates.

Underclassmen

During the three years as underclassmen, we learned to adjust and to hurdle the obstacles before us. The greatest thrill of our three years was the preparation, planning, and attending the Junior-Senior Prom. Both the fellows and the gals discussed weeks ahead what they would wear. The sophomores and freshmen looked and listened with envy as plans were made, but their turn will come.

Miss Redmond, class sponsor, discussed plans with the junior class officers, Bob Satterthwaite, Gail Linke, Lynn Holmes, and Fritz Kiel. Mr. Mel Harrison served as co-sponsor, guiding the Juniors in their concessioning project.

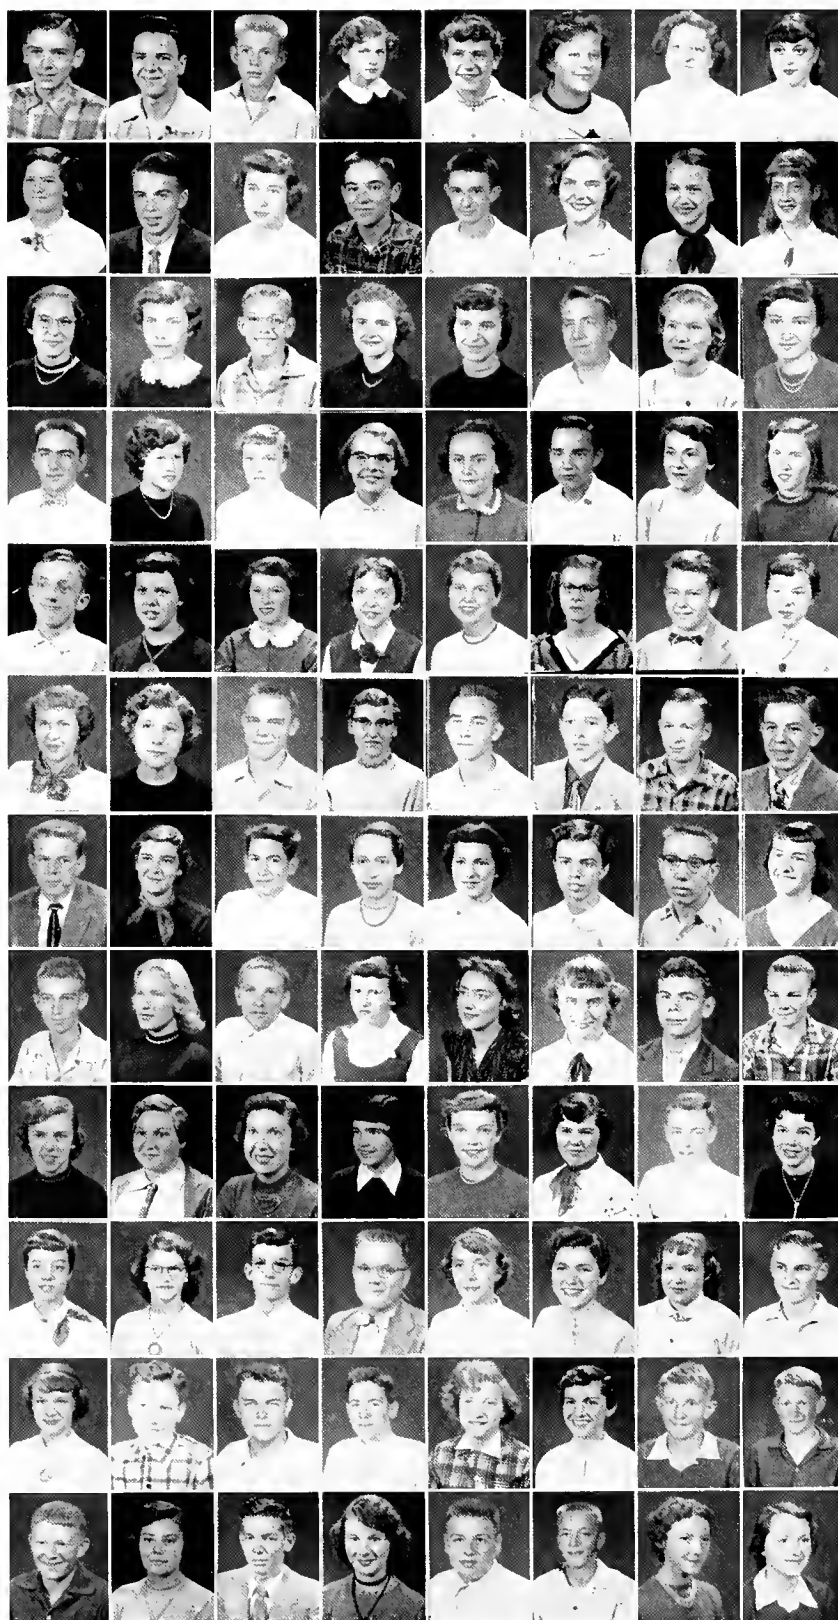

Ann Marshall and Nadine Tovey did their part to pay for this year's Prom. It was the decision of the Junior Class to work in the concessions at both football and basketball games in order to make the money to provide for this event. . . . Now what do you suppose Tom Grady was up to this time? . . . Several Juniors waited in line to cast their votes for the class officers. We must agree they made a very wise choice. . . . These proud Juniors found it quite a task to decide on their favorite rings from the selections of class jewelry. . . . Big news of the summer was often discussed at Donner Pool. Nancy Meyers, Judy Payne, and Judy Rees seemed to be quite interested in an important letter.

Sophomores

All during the summer we, the sophomores, anxiously awaited the arrival of September which marked the beginning of another school year and the hopeful opportunity of becoming a club member. Since clubs were the big events for sophomores, we realized we had only two more years to be club members and our high school days were half over. We could not recall ever being as "green" as the little "freshies", and still we looked ahead—not imagining ourselves ever being "sophisticated seniors."

Best Wishes to

Freshmen

The highlight of the year for the freshmen was "March-Mello Whirl", sponsored by Sorosis and Forum. All the freshmen boys voted for a queen among the girls while the girls were busy voting for a king among the boys. Refreshments were served and all were entertained. Some danced, while others played games. There wasn't a freshman who would forget or give anything for the night of "March-Mello Whirl."

LUMBUS HIGH SCHOOL ACTIVITIES CALENDAR

Activities

In order to have a balanced school life, many extra-curricular activities were enjoyed by all. We participated in clubs, honoraries, and workshops. The activities calendar served as a reminder for all the outings, senior dinners, games, and plays.

The organizations not only provided enjoyment, but taught us parliamentary procedure and co-operation. It made no difference to which organization we belonged, we all enjoyed working together.

Student Assembly

Members of Student Assembly were elected this year from the third period classes.

Under the guidance of George Utterback, the Assembly again sponsored the Six Weeks Honor Roll printed in the Triangle. They also sponsored the thought for the week, given each Monday over the public address system.

Both the Assembly and the Council had the job of the over-all supervision of the Spring Fair from which the proceeds went to a worthwhile project.

On April 15th, each organization in C.H.S. sponsored a booth or a project of some kind at the Spring Fair.

Sponsor, Mr. Utterback, and council members discussed future projects in informal meetings like this.

Council members are made up of the officers of Student Assembly and five representatives from the Assembly. Officers are nominated by the previous Council and elected by the student body. Russell Mahoney was elected president this year.

The council worked very closely with the Assembly in its projects, but their single jobs were providing letter awards for projectionists and decorating for the Sectionals and Regionals.

The Council and Assembly worked together on a club program for the next school year, appointing sophomore and juniors to work with the faculty on this project.

Mr. George Utterback also sponsored the Council.

Triangle — C. H. S. Paper

Publishing a weekly newspaper was a big chore, and Miss Vera Lanham, new Triangle sponsor, soon realized the fact.

The Triangle staff also found time for other activities. They published the program for the first basketball game and sponsored the Top Ten Senior Contest; and, to break up the monotony of working, the members had a few parties.

Co-editors for the year were Betty Lou Robinson and Philip Anderson.

Our halls attained a "new look" when the Triangle staff decorated before the sectional tournament.

Jan, Phil, Nancy, and Betty Lou combined their efforts to meet each week's deadline.

Shown here at the annual Log Convo were Connie Pruitt, business staff member; a winner of a free Log; Bob Satterthwaite, sportswriter; and Peter Anderson (in the tree), sports editor. . . . Susanne Jackson and Bev Baker, co-editors, talked over plans for the 1955 Log.

The Log

Under the sponsorship of Miss Edna Folger, business, and Mr. Albert New, editorial, co-editors Beverly Baker and Susanne Jackson and their staff worked diligently to meet the deadlines required to produce the 1955 LOG before school was out.

However, work was interrupted at Christmas when the staff gathered at Lynn Holmes' for a "spread." Shortly afterward, Miss Folger, who was celebrating her "21th" birthday, was given a surprise party in the high school cafeteria.

Freshmen Mixed Choir

During the first semester, boys and girls who were interested in singing and training for A Cappella were combined in a Mixed Chorus. However, during the second semester the boys formed a Boys' Chorus and the girls a Freshmen Girls' Choir. The girls sang in the District and State Music contests.

Outings were enjoyed by both groups under the sponsorship of Douglas Peterson.

Advanced Girls' Choir

Under the direction of Mr. Douglas Peterson, the Advanced Girls' Chorus obtained a better understanding of music and learned to enjoy singing in a large group. President, Cathryn Pankow, led the group in planning the fall concert and Christmas Program which the group presented.

The chorus was proud to enter an ensemble in the District Solo and Ensemble Contest.

A Cappella Choir

Under the leadership of its new director, Douglas Peterson, the A Cappella Choir saw another active year of choral presentations. Programs were presented for service clubs, the Christmas Seal campaign dinner, and at various high schools and colleges in southern Indiana during the spring tours.

In April, the group sponsored and participated in the all-school minstrel show.

Presiding as president for the year was Jerry Robertson.

Monitors

As always, our monitor system was an important cog in our school. Mr. Genth supervised the group which assumed such duties as checking hall permits, running errands for the office, and collecting attendance slips.

Projectionists

With Mr. James Kelly to supervise, the projectionists operated all audio-visual equipment. The boys were a selected group having good citizenship and satisfactory scholastic work.

Co-head projectionists were Philippe Baumann and Jon Kelly.

Dramatic Workshop

For the first time, Dramatic Club was changed to Dramatic Workshop and met after school on Wednesdays. Membership was open to anyone interested in participating in dramatics. Among the many plays that were presented, "The Wonder Hat" was the Thanksgiving program, and the Christmas pageant was "And So They Came To Bethlehem." Other activities consisted of one act plays, student directed, given in the community, during meetings, and for school programs.

An interesting activity for the Dramatic Workshoppers was a trip to Indianapolis Civic Theater to see "Sabrina Fair." Sponsors, Miss Mildred Murray and Miss Elsie Butler, accompanied the group to the National Thespian Conference at Manual in March. Susanne Jackson served as president for the entire year.

Kaduceans

As in previous years, Kaduceans spent their spare time serving as social workers at the hospital. Another high light of their club work was the making of carnation corsages for the basketball games. The girls also enjoyed spring and fall outings and honored their senior members with a senior dinner. Mrs. Rosemary Harrison served as advisor, and Elizabeth Quick and Ann Stadtmiller were semester presidents.

The local chapter of the Future Homemakers of America participated this year in international—national—state and local projects.

Their purpose consists of promoting the appreciation of the satisfactions of homemaking, emphasizing the importance of worthy home membership, encouraging democracy in home and community life, working for good home and family life for all, promoting good will, fostering the development of creative leadership in home and community life, providing wholesome individual and group recreation, and furthering interest in home economics.

Blue Science

The purpose of both science clubs was to further the interest of science to its members. They also strived to perfect skills in science, to understand the importance of science in life, and to cooperate with the science clubs of America.

Blue Science sponsored a Columbus Science Fair along with the White Science Club and sold monogrammed T-shirts.

Mr. Lawrence Poorman served as sponsor, and the president was Gordon Tilley.

White Science

White Science activities consisted of spring and fall outings, a project at the Spring Fair, a Science Talent Search, and the Science Fair.

Richard Lovelace served as president aided by sponsor, Mr. Lloyd Bennett.

Pierian League

Those good-looking blue and white stuffed Bulldogs seen at the sectional this year were one of Pierian League's money making projects. Another was their annual salt-water taffy sale.

With this money the club members took their yearly historical trip with Miss Gilkey, sponsor, supervising. Don Arnholt served as president of the organization.

Social Science

The main goal of Social Science was to further interest in social and civic problems of today by participating in correct parliamentary procedure and discussing current affairs. Activities consisted of observing United Nation's Day and having outstanding guest speakers. Jack Gommel and Fritz Kiel served as semester presidents. Miss Evelyn Seward was sponsor.

Fiferellas

Fiferellas' purpose was to maintain friendship in the school and community. The girls had a style show, brought in Christmas boxes for the soldiers at the air base, sold locker mirrors, and had a bake sale.

Shirley Berenbrok served as president, and co-sponsors were Mrs. Rice and Mrs. Gosling.

Conservation

The activities of Conservation Club centered around the conserving of natural resources. This year, tree planting was the principal project.

Charles Hertel served as president and Mr. Fleming was sponsor.

Sole Sodalists

To inspire higher ideals for high school girls and to train girls for active citizenship were the two principle objectives of this group. With the help of Miss Barbara Bush, sponsor, Joyce Smith presided at the meetings and led the members closer to their goals.

At Christmas their voices were heard by many as they revived the carolling custom. During the fall and spring the club held two outings: the first, to greet new members; the last, to bid the graduating members good-bye.

Sunshine Club

To be of some service to the club, the school, and the community was the objective of every Sunshine member. The girls fulfilled this purpose by serving coffee at the teachers' meeting, dressing dolls at Christmas, and having candy sales.

The organization was headed by sponsor, Miss Mildred Maley, and president Marilyn McLean.

Y-Teens

President Harriet Tirtel and sponsor Mrs. Grace Johnson led the members of Y-teens in furthering the Christian standards among high school girls of our community.

The girls highlighted their year with an outing at Youth Camp, by attending church in a group, and with a bake sale.

Sally Thompson and Sylvia Bill served first and second semesters respectively as Debutante presidents. Miss Alta Redmond, sponsor, stressed the importance of service to their fellow students and community.

To meet this goal, the girls helped with the patch tests, the T.B. X-rays, and the dental clinic. They also decorated the Christmas trees, clothed a child, and gave a basket of toys to the Firemen's Fund at Christmas.

Aidettes

With sponsors Miss Josephine Armuth and Miss Shirley Lyster's aid, the Aidettes were responsible for most of the school dances. Also, the members assisted in the Cancer Drive; and with their dates, they enjoyed fall and spring outings.

Nancy Pardieck was president the first semester, and Emma Betz was president the second.

Archons

The fellows used their energy to make money this year by washing cars on Saturday mornings. Spring and fall outings along with an initiation constituted the group's extracurricular activity. As a final contribution of the year, the members selected an outstanding boy and girl of the senior class and presented them trophies on Award Day.

Sorosis

Sorosis had many social as well as useful functions. Again, as in previous years, the members sponsored the Big Sister Plan. The girls, aided by their mothers, had a chili supper and used the profits for a \$100.00 scholarship. The award was given to a worthy senior girl. In the spring, ably assisted by Forum, Sorosis gave a party for the freshmen.

Presidents Sylvia Bill, Judy Buffenbarger, and Ruthann Schwartzkopf were helped during the year by sponsor, Miss Mildred Murray.

Ronnie Whitehorn, president first semester, and Steve Schwaninger, president second semester, along with sponsor Noel Genth carried out the duties and the purposes of the Forum Club.

Activities were to raise and lower the flag, to give a Christmas basket, to sell football pictures, to sell refreshments at the dances after football games, and to aid Sorosis with the Freshman Party.

To promote and encourage interest in creative writing, to discuss and criticize their writings, and to study various techniques of authors were the purposes of Writers' Club.

Writers Club

Nancy Covert, president, and Mrs. Mildred O'Rear, sponsor, along with the other members, sponsored THE STUDENT WRITER. Each spring the club presents an award for an outstanding C.H.S. writer. For enjoyment, the members had a Christmas party and an outing.

The purpose of Art Workshop was to enable those interested in arts and crafts to creatively engage themselves in these interests.

They brightened our halls with their many displays. Many of their pictures were bought at the Spring Fair. We owe our gratitude to them for the beautiful prom decorations.

Choral Club

Promoting interest in music and membership for choral organizations were the basic purposes of Choral Club. Led by the president, Robert Nagel, and sponsor, Mr. Douglas Peterson, the members sold sectional derbies. Fall and spring outings were included in the "extra" activities.

Record Club

Teaching its members to understand and appreciate different types of music, songs, and vocals, was the principle purpose of Record Club. To aid in instructing the members, musical programs were presented with the aid of the sponsor, Mr. Ralph Templeton.

Sports

Columbus High School ranked with the best not only in the ability of her teams, but also in athletic facilities and equipment. The addition of the new gymnasium to an already completed track and football field sustained by former Bulldog teams. These added facilities made it possible for more Columbus students and fans to back their teams and coaches with loyalty throughout defeat as well as victory. This year's cheerleaders were Doug Foulke, Steve Schwaninger, Judy Fleetwood, Ruthann Schwartzkopf, Jane Ann Noblitt, and Jane Burns.

Several Take State And S. C. C. Honors

In the middle of August over 75 boys gave up the many pleasures of summer vacation to practice varsity football. Having lost most of his key men at graduation last May, Coach Max Andress was faced with the problem of rebuilding a team, which is always a top contender in the

South Central Conference. At the beginning of school about thirty of these boys were placed on the varsity football team. Full of determination and team spirit, the Bulldogs opened their 1954 season.

The Bulldog coaching team—Dean Evans, Freshman; Bill Lynch, "B" team; Max Andress, Varsity—are shown during a brief timeout from their duties.

Ken Smith, after receiving several good blocks, is on his way down the field toward the goal line.

Head trainer, Mel Blickenstaff, is shown supervising his managers: Dean Mattox, Richard Wand, Richard Kerns, and George Baumer.

Varsity Football Team

Coach Max Andress' boys were on top four out of six times in conference competition which gave them a tie for third place; and they finished with a four wins, four losses, and two ties record. Many members of the team received conference and state wide honors. Ken Smith was named to the all-conference backfield on the defensive

team, and Charlie Ostick was named first string center on the all-conference offensive team. Four other members of the team: Don Rush, Naverne Wille, Bernie Kress, and Jim Wilbur, received honorable mention on the all-conference team. To top off these honors, Charlie Ostick was listed second string center on the all-state team while Jerry Records and Ken Smith received honorable mention. This was not only an honor to those who received these awards but also to the fine team and coach they represented.

Here Are The Gridders

C.H.S. 6 - New Castle 14—The New Castle Trojans spoiled the Bulldog opener at the Maple Street field by handing them their first defeat of the season. However, the Dogs demonstrated strength at times, which showed up in their later games.

C.H.S. 7 - Bloomington 13—The Panthers gained a touchdown and an extra point in the final minutes of play to make the game a heartbreaker for the Dogs.

C.H.S. 20 - Seymour 0—The Bulldogs came alive to gain this important South Central Conference victory from the previously undefeated Owls. The team worked to high perfection as line and backfield were in complete harmony.

C.H.S. 13 - Shelbyville 30—Although the Bulldogs gained a 13-0 edge, the Golden Bears fought back and caught the unwary Dogs in a let-up from which they never recovered; even though later they fought doggedly.

C.H.S. 47 - Connersville 12—The hapless Spartans tried hard; but found even the Bulldog reserves, who played most of the game, a little too strong.

And Their 1954 Record

C.H.S. 13 - Greensburg 0—This important South Central Conference proved to be a battle of linemen. However, the Bulldog linemen made a few more "holes" for their backfield partners.

C.H.S. 20 - Howe, Indpls. 20—The team surprised the Hornets and their home fans with their power. But, an error by the official, allowing the Hornets an extra timeout with five seconds to go, changed a 20-13 victory to a 20-20 tie.

C.H.S. 12 - Southport 27—The team tried hard to include this game in their victories, but the powerful backfield of the South Central Conference Champs proved to be too much for Max Andress' Bulldogs.

C.H.S. 32 - Franklin 21—The Franklin Cubs once again succumbed to the Dogs; although they did better than they had for several years. This was the last South Central Conference game for the Dogs and thus cinched a tie for third in the league.

C.H.S. 21 - Wiley, Terre Haute 21—Once again, the Bulldogs surprised a powerhouse as they tied up the game much to the chagrin of "one of southern Indiana's best."

Pups And Freshmen Build For Future *Phil Riley*

The 1954 edition of the Columbus High School reserve grid team featured practically a complete sophomore lineup. Coach William Lynch called on juniors only in a few tight spots. Working from a forward wall averaging 158 pounds and the average backfield man 140 pounds, the Pups salvaged a three wins, four losses record. Calling signals from a single wing to a T formation, the locals scored an average of 14 points per game, while their opponents scored nearly 16. The total points scored by the local talent were 56 while opponents scored 93.

The Pups opened with a 24-7 victory over Martinsville and continued to show strength while defeating Franklin and Seymour. However, the team did not fare so well in their last three games; although Bloomington, who defeated them 34-0 early in the season, had a hard time salvaging a 12-0 victory in the Pups last game.

Coach Dean Evan's freshman team practiced hard to learn the fundamentals of the grid sport. They had an overall record of six won and three lost. These boys have a bright future in store for them as the future football men of Columbus High School. They will carry the name of C.H.S. high among the football teams around the state.

Cross Country Team Placed Second in Conference

Cross Country is one of the fall sports at C.H.S. This year's team, coached by Gerald Quilleon, had a very successful season. Not only did they defeat such powers as: Shelbyville, Morristown, Manual of Indianapolis, and Southport; but they also placed second in the South Central Conference Meet. Cross Country serves a two-fold purpose at C.H.S. Besides being a sport in itself it is also used as a conditioner for basketball by those boys not playing football. Since many of this year's runners are underclassmen, even better days are in the future for C.H.S.' distance runners.

Although Columbus placed second in the Washington-Columbus-Manual meet, Don Holman and Jim Bey exemplify a fine Columbus spirit as they speed toward the finish line with a Washington runner close behind.

The Bulldogs End Season in Glory

106

It was the evening of November 23, 1954. Every seat was filled and 250 more were standing in our brand new physical education plant's dedication game. There was a certain expectancy in the air. Then a huge Bulldog rolled onto the floor, followed by the 1954-1955 edition of the Columbus Bulldogs. Basketball season had begun. Before this season was over the team had broken many records and set many firsts. By defeating Bloomington 65-36 and Jeffersonville 52-51 in an overtime, the Bulldogs won the first Columbus High School Holiday Tournament. Both Jerry Schofield and Bob Risk broke the individual scoring record and the team took the eight game home floor wins inherited from the 53-54 team and ran it to twenty-two games. The team ended up with a 21-5 record and was a team which will be long remembered by Columbus fans.

Left: Jerry Schofield, senior center displays good form in this under-the-basket shot as Max Perry and Ken Smith await a rebound that never came. Jerry's talent at the pivot and forward positions, both shooting and rebounding—has labeled him as one of the state's best.

Right: Max Perry drives and leaps to put in one of his favorite "lay-ups", while Schofield and Risk are under just in case. "Little Max's" deceptive and clever ball handling as well as superb defensive work cause opposing coaches to gain a few grey hairs in the course of a game.

Left: Bob Risk has caught the defense napping on the fast-break and lays one up before Jim Major and the other Martinsville players can catch him. Bobby's ability to feed into the pivot as well as his phenomenal shooting average well above .375 and his timely buckets have spelled defeat for many an opponent.

Right: After grabbing the opening tip the Madison Cubs stopped—the Dogs fell into a zone defense shown here and nothing happened. The score at the end of the first quarter was 0-0 and the score at the end of the half was 5-3. The game became a run-away in the last quarter as the Canines gave Madison some of their own medicine. As the gun sounded it was 17-10 in favor of Columbus.

1954-1955 Varsity Basketball

1955 was a great year for all Bulldog fans. Not only did we have a brand-new gymnasium to replace our old "crackerbox", but a great team as well.

C.H.S. 56—Bloomington 39—The Bulldogs grabbed the opening tip and ran off to victory in our gym's dedication game.

C.H.S. 54—Connersville 38—The Canines romped off to their first conference victory over the defending champion Spartans.

C.H.S. 58—Shelbyville 45—Our rivals, the Golden Bears, fell before a balanced Bulldog attack.

C.H.S. 64—Evansville Bosse 59—Both teams were hitting and it took all we had to down the southern crew.

C.H.S. 17—Madison 10—The Cubs came to town figuring that they didn't have the horses to run with the Canines; so, after grabbing the opening tip, all action stopped. Finally gaining a substantial lead, the Bulldogs began to give the Cubs some of their own medicine by keeping the ball away from them by clever ball handling and dribbling.

C.H.S. 61—Martinsville 45—The Artesians entered town hoping to hand the Dogs their first loss, but they missed by 17 points in an important S.C.C. game.

C.H.S. 60—Franklin 66—The Grizzly Cubs eeked out a 6 point victory over the Bulldogs, who were definitely cold.

C.H.S. 71—New Castle 55—The Dogs bounced back after their first setback by running all over their N.C.C. foes in spite of the Christmas lay-off.

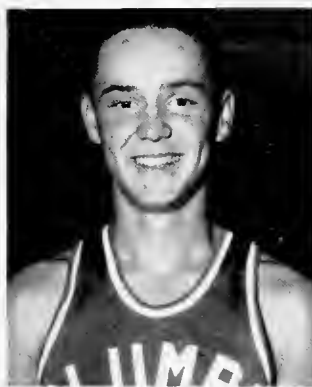

C.H.S. 74—Greensburg 59—The Canines had things their own way as they sank the Pirate ship while saving their strength for the game the following night.

C.H.S. 69—Howe, Indianapolis 55—The Hornets, generally considered to be third

best in Indianapolis, came down to the Bulldog lair hoping for a victory over the high ranked Columbus squad. After an even first period the Dogs poured it on and coasted to a 69-55 victory.

C.H.S. 51—Manual, Indianapolis 44—The Canines, lacking much of their usual form, beat the Redskins—but it wasn't the "scalping" it should have been.

C.H.S. 56—Anderson 61—Another one of those two game week-ends proved to be another stumbling block for "Bill's Boys." The "so-so" Indians were out to stop the now 6th ranked Canines and they did it.

C.H.S. 52—Rushville 50—The Bulldogs had to work overtime to hand the Lions their first S.C.C. loss. The game was sent into a double overtime on some hot free-throw shooting by Rushville. Columbus grabbed the tip-off in the "sudden-death session" and set up the winning basket.

C.H.S. 71—Adams, S. Bend 52—Tired of winning by close margins, "Bill's Bulldogs" broke lose to send the Adams' Eagles flying home badly crippled.

C.H.S. 45—Seymour 54—Both teams were primed to the hilt for the Dog-Owl game—one of the hottest rivalries in Hoosierdom. The Dogs grabbed a slight early lead, but the Owls came back on some "hot" shooting, while inability to hit on "set-ups" spelled defeat for the Bulldogs.

C.H.S. 56—Southport 53—Although the Canines led all of the way, they had to stave off a last-second rally by the Cardinals before claiming another home-court victory.

C.H.S. 67—Jeffersonville 54—The Dogs came to life with one of their best performances of the season and proved that the one point victory over the Red Devils in the Holiday Tourney was no fluke.

C.H.S. 60—Aurora 77—The Bulldogs, with their eyes on the coming sectional, could not concentrate on the matters at hand as the tall Red Devils ran off to hand the Canines their worst defeat of the season.

Pups and Terriers Had Good Season

Reserve coach, Max Andress, led this year's Pup squad to a stellar 10-6 season. The coach had one of his best seasons, being able to rely strongly on his bench strength. Changes in the Pup roster occurred when Roy Shofner, sophomore, was added to the varsity and Jerry Butler, freshman, was promoted from the freshman squad to a place on the Pups.

Looking over the outstanding games of the season, the Pups showed true teamwork and sportsmanship when they defeated Shelbyville. The reserve team's first loss was a 45-39 set back at the hands of the Franklin reserves. The Pup

tourney champs, Franklin, battled the locals in the championship game and won it in an overtime 38-35.

Coach Stearman may look forward to many successful seasons to come as the Pup netters fill the shoes of graduating varsity players.

Prospects for future varsity teams looked great this year as the Freshmen basketball team wound up their season with 14 wins and 4 losses. Coach Ray Scott and the Terriers played hosts for the Freshmen Tourney. Although they defeated Greensburg by an uncanny score of 51-11, Franklin defeated them in the final game 39-36.

Team Play Paid Off . . .

Under the excellent coaching of Bill Stearman and Max Andress, the golf team showed very good form in winning second place in the South Central Conference. This added six points to Columbus' total points in the race for the All-Sports Trophy.

Although the team played many games in the spring, the conference meet was held in the fall. In order to "warm up" for the conference tourney, the team played in a number of "practice" meets and defeated many excellent teams from both in and out of the S. C. C.

In the fall, the team was coached by Bill Stearman and in the spring, the job was transferred to Max Andress.

ROW 1: Donn Adams, Richard Sharp, Bill Hodapp.

ROW 2: Dean Mattox, Richie Williams, Bill Pearce, Max Andress, coach.

Swimmers Placed Eighth in State Meet

113

The Columbus High swimming team finished another fine season on February 12th when they placed eighth in the state meet. Bob Sprague placed third in the individual medley (150 yds.) and fifth in the 200 yd. freestyle. The freestyle relay team consisted of Doug Foulke, Tom Bigley, John Munn, and Bob Wilmotte placed sixth while the medley relay team composed of Steve Schwaninger, Jay Hodler, and Edgar Bill came in fifth.

Although a three won, six lost season doesn't look too impressive, it was interesting to note that Burris of Muncie was the only Hoosier team to defeat the Dogs. The team also lost to Middletown of Ohio twice, St. Xavier of Louisville twice and St. Xavier of Cincinnati. The team defeated Muncie Burris, Jefferson of Lafayette, and Atherton of Louisville.

This was the first year a freshman team has been organized. They swam in their own meets and at the same time on the varsity. Although many seniors are on this year's team, the results of the freshmen's meets and the performance of the other underclassmen indicate a bright future for "Wally" Page's boys.

Bob Sprague was elected honorary captain by his team mates, for the 1954-55 season.

Seated: John Vogel, John Munn, Bob Jessee, Tom Bigley, Bob Wilmotte, Bob Sprague, Steve Schwaninger, Doug Foulke, Tom Hilger, Jay Hodler, Earl Stam, Edgar Bill.

Courtmen Showed Know How . . .

The 1954-55 tennis squad captured both the doubles and singles championships in the S.C.C. meet last fall. For the second straight year, sophomore Tom Carter captured the singles championship and the doubles team, consisting of Tom Grady and Jerry Joe Harms, claimed their first doubles trophy. Since there is but one graduating senior on the team, coached by Walter Page, the spring meets provided ample practice for next fall's conference meets.

Baseball Windup

For the past five years, the C.H.S. baseball team has won the S.C.C. championship and last year was considered one of the best in the state. Although there was but one starter back from last year's squad, the future still looked bright for the Bulldog baseball men. The 1955 team, led by head coach, Bill Stearman, with the assistance of Bill Lynch, faced rough going in trying to defend its conference crown.

Thinly Clads Looked to Prosperous Season

The 1955 track squad hopefully looked forward to annexing their 2nd straight S.C.C. championship and their 4th in the last five years. Aply led by head coach, Gerald Quilleon, and freshman coach, Dean Evans, the team won many victories after opening the season with a 63-54 win over Southport. The team participated in the annual Hoosier Relays, the largest indoor high school track meet in the nation with approximately 1,000 athletes participating. Both the 2 mile relay team and the distance medley team won first place medals, and several others won individual medals. The track team this year was strong in the distance races, hurdles, and in relay teams as well as field events.

Girls' Intramural Program

As many girls who were interested in athletics were not being reached by G.A.A., an intramural program was set up. This program, under the leadership of Miss Nancy Metz and P.H.C., reached eight hundred girls. Under this new plan, the girls of all classes were divided into groups and each chose a chairman. The girls then signed up for the sports in which they desired to participate. At the end of the year, the points earned by each team in all sports were compiled. The team with the highest total was crowned the intramural champion.

At the beginning of the year, girls who wished to participate in athletics joined Girls' Athletic Association. LIFE OF THE PARTY

MARSHMAL-O FUDGE

Mix in heavy 2-qt. pan:

- 2 1/4 cups sugar
- 1/4 cup Butter or Margarine
- 3/4 cup Pet Evaporated Milk
- 5 oz. Pennant Marshmal-o

Bring to bubbling boil quickly, stirring all the time.

When bubbles appear all over the top, boil and stir over medium heat 5 minutes.

Remove from heat and add 1 package Hershey's Semi-Sweet Chocolate Dainties. Stir until Chocolate Dainties are completely melted and blended into mixture. Add nuts if desired.

Pour into greased pan about 9 inches square. Cool thoroughly. Cut into 1 1/2-inch squares. Makes 3 dozen squares or 2 lbs.

Dear Lover-boy!

Boy, this has been some Log
Staff! Especially first period.

In spite of all the teasing, it
was really the best! Be good,
R K, and the best of everything

Love ya,
"STONEV"

P.S.

Think you'll make it to work
the first day?

Dear R.K.

Well I think we have finally made it
in J.M.'s class. We sure have had some
small times together & with the boys.
Remember all the parties we went to.
say did we ever have fun. I can
hardly wait till school's out. we can
really have fun working over at the
Pool. What fun. Best of wishes.

Hi Buddy, well
I guess we made
it through another
year. Be good and take
care of Jim while I'm
at camp. Loads of luck
Pat Pike

Good luck
to a real track
man.

Lauf.

Dear R.K.,
Best of luck in
your future years at
C.H.S. Don't forget
dear ole French class.

Rich. I wish to
 best of you. Be
 a most generous
 good, provided
 you should not
 me to call me
 my name.
 by my name

Dear H. K.
It sure has been
sweet knowing you
these past years. You're
a wonderful guy! The
very best of luck in your
~~past~~ year at C.H.S. Be
good this summer!
